The image shows a wireframe of a 'Sign Up' dialog box. The dialog box is titled 'Sign Up' and has a subtitle 'Please enter your information'. It contains several input fields: 'First Name', 'Last Name', 'Parent or Teacher?' (a dropdown menu), 'School' (a dropdown menu), 'City', 'State' (a dropdown menu), and 'Email'. Below these fields is a section titled 'Create Login' which includes 'Username' and 'Password' fields. A 'SIGN UP' button is located at the bottom right of the dialog box. The dialog box is set against a dark gray background with a 'T&P' logo in the top left corner. A callout '1.' points to the 'Sign Up' title, and another callout '2.' points to the 'Create Login' section. The bottom of the screen shows a footer with 'T&P © 2014' and three window control icons (minimize, maximize, close).
